STEVE JACKSON GAMES

TRULY GOBNOXIOUS™

We had thought, after wracking our brains for goblin puns in *Munchkin Pathfinder* and *Munchkin Pathfinder: Gobsmailed!*, that there was no way to write even more of those puns.

We were wrong. You're welcome.

This booster has 15 more cards for *Munchkin Pathfinder* (or any set that uses the "classic" brown *Munchkin* backs) (or any set at all if you also pick up the *Munchkin Doors and Treasures Sleeves*). You do not need *Gobsmailed!* to use the cards in this booster, but you should get them anyway, because they're awesome.

If you're mixing these cards into a non-*Pathfinder* set, all you need to know is that Goblin monsters can stack, just like Undead.

More *Munchkin!*

Munchkin comes in lots of flavors! You can get classic fantasy, sci-fi, superheroes, pirates, cowboys, the apocalypse, steampunks, and zombies . . . and they're all compatible!
